

# CHESTER COUNTY UNITED WAY CAMPAIGN

This year, we're simplifying the process with a "rollover" campaign.

- **Current Donors:** If you're already donating through payroll deduction or bill-at-home, your pledge will automatically renew for the 2024 campaign.
- **New Start Date:** New payroll deductions will begin in January 2025.

Today, 1 in 8 people in Chester County receive assistance from a United Way funded program. Your continued support creates a brighter future, empowering everyone in our community to reach their full potential.

## What You Can Do:

- Make changes to your current pledge
- Opt out of the rollover
- Become a first-time donor

Together, we're making Chester County stronger. **Thank you for your generosity!**
